

# JOHN LONG

## PEOPLE WITH LEARNING DISABILITIES

---

My name is John Long. I am 45 years old.

I want to speak for myself and my friends to help them. I like to help everyone.

I will do a good job as I help out at my day centre Impact Theatre and I go out a lot in my community in Ealing.

I am confident.

Vote for me to make a change and I can help everyone.

I am helpful and friendly.
