My Name is Sarvesvaran Navaratnam, however people call me Varan. I am an enthusiastic and reliable person with many skills and abilities.

I get on well with people, can work in a team and on my own initiative. I am a persistent and confident person under pressure. I believe in setting and achieving high standards.

I am self-motivated, hardworking and willing to commit myself to achieve high quality results and I am willing to learn new things.

If I am chosen, I will give ability, loyalty and tenacity in my approach to this work.

I enjoy serving the community as a way of giving back after all the support I have received. Currently I volunteer as a tutor for Expert Patient Programme on self-management of long term disabilities, depression, alcohol addiction and I am an active member of the People's Parliament.
