The ugly numbers

Across the UK, Black children are more likely than white children to be arrested. *(Barnardo's 2020)*

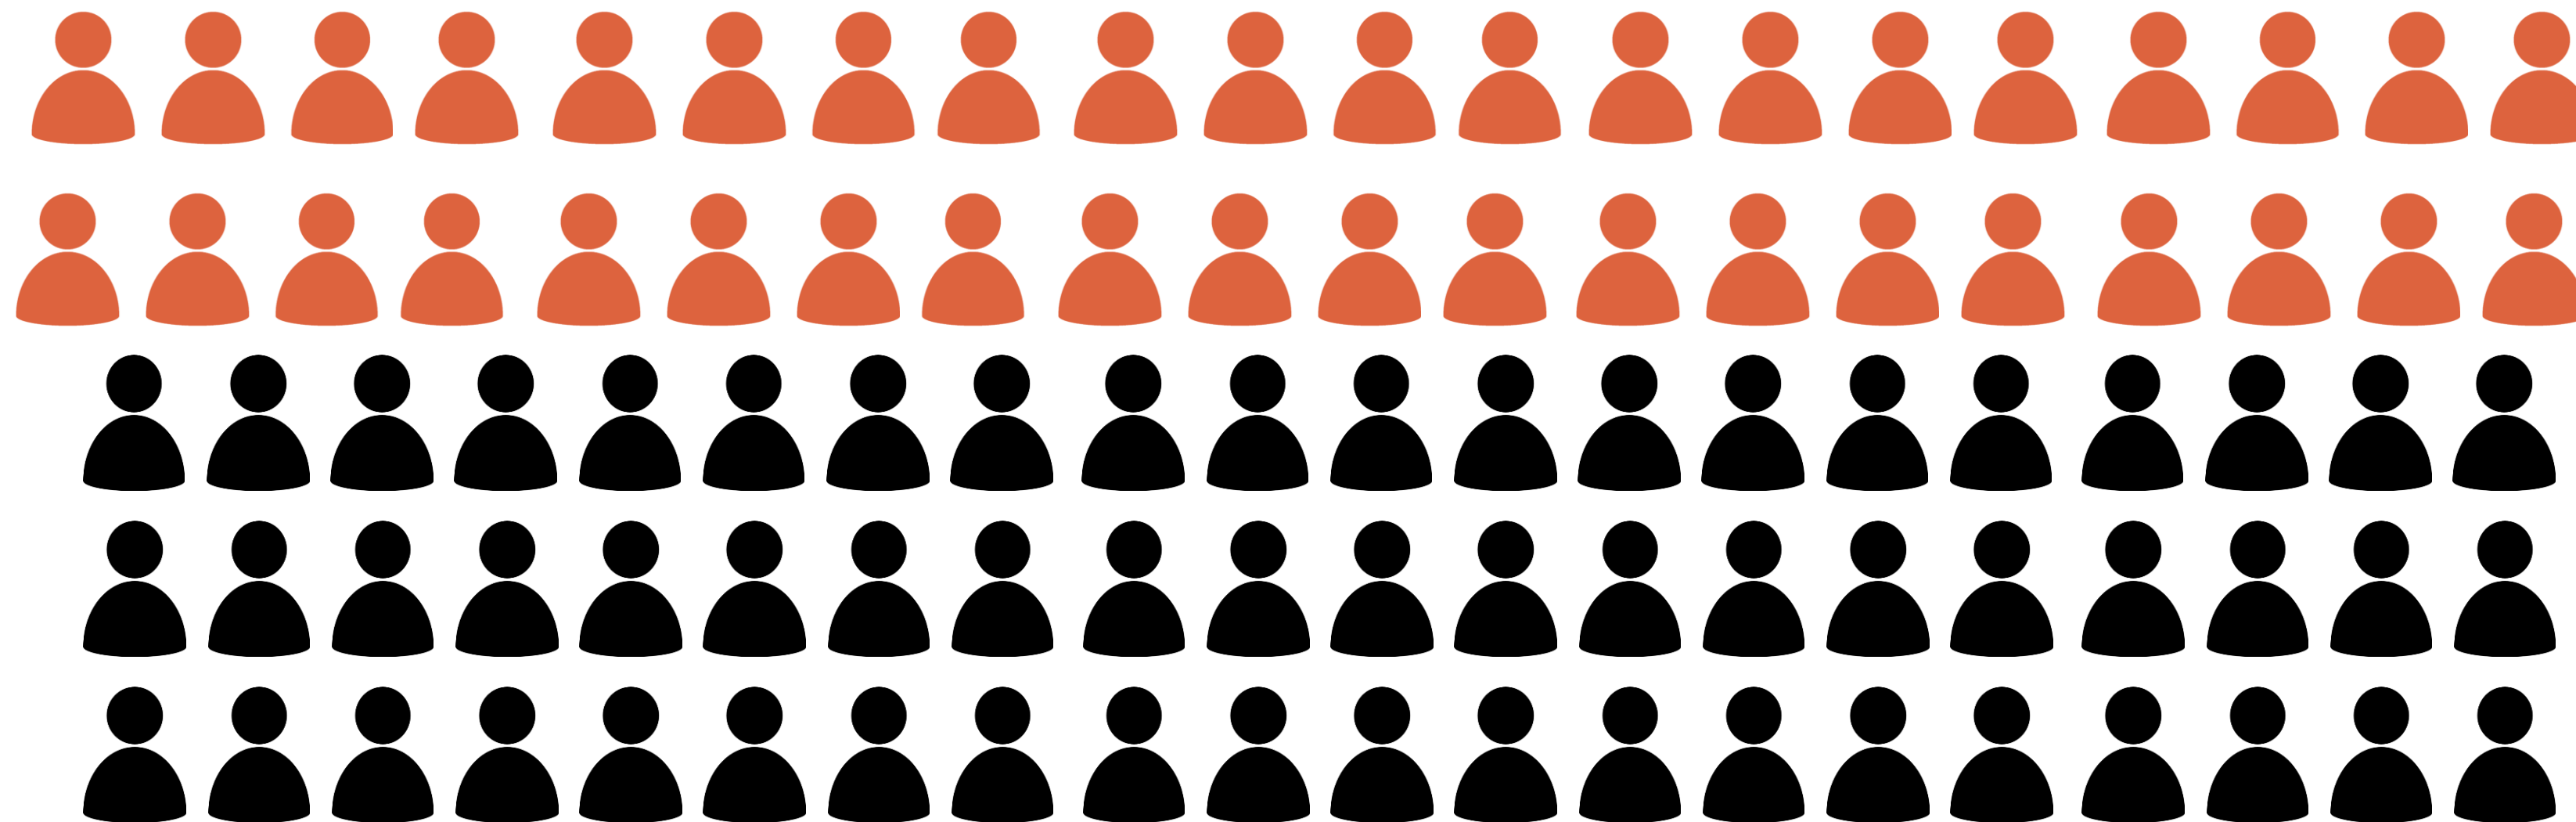

In England, Black Caribbean children are more likely to be excluded from school than all other children at primary, secondary and special schools. *(Barnardo's, 2020)*

The ugly numbers

People with learning disabilities were more likely to die from coronavirus than people without learning disabilities.

40 out of every 100 deaths of people with a learning disability from Covid were people from Black and Pakistani communities. (Race Equality Foundation, 2021)

The ugly numbers

Between 2018 and 2020 for men with the label of severe or profound learning disability.

White British
men died on
average at
age 59.

Men from a
minoritised ethnic
community died on
average at age 33.

Zoom Poll

The image shows a screenshot of a Zoom poll interface. At the top, the window title is "Polls". Below that, the poll title is "Poll 1: Ice Cream Flavor" and there is an "Edit" button with a pencil icon. The main question is "1. What's your favorite ice cream flavor?". There are six radio button options: "Chocolate", "Vanilla", "Strawberry", "Butter Pecan", "Chocolate Chip", and "(other)". At the bottom, there is a blue "Launch Poll" button.

Celebration

So, how do we make change happen?

- Recognise your potential
- People around you believing in you
- Develop allies
- Invest in leadership
- Have intention
- Don't wait for permission
- Don't become a part of the problem
- Follow your own rules, not the rules of the a system!
