

What can help you if you want to move

What can help you if you want to move

Changing where you live can happen for a lot of reasons.

You might want to plan to move because:

- **You want to leave your family home**

- **You want to live nearer your partner or a family member.**

What can help you if you want to move

- You want to move for work.

- You are leaving school or college.

- You are unhappy where you live now.

- Your support needs change and you want less or different support.

What can help you if you want to move

What ever the reason you want to move it is important to think about what matters to you.

You can then start to make plans.

The Housing Guide was a collaboration of LDE, Housing LIN and Ace Anglia.

It was supported by a co-design group of self-advocates and families. The co-design group were Jo, Rachel, Danielle, Gary, Liz, and Kate.

Thanks to everyone who shared stories, gave us feedback, and let us include their work. Please do share feedback and comments to LDE.
