

**What can help you if you
want to move**
**Who can help you if you
want to move?**

Who can help you?

It can feel hard to know where to start moving home.

We would say get help if you can.

It is your choice who you ask to help you get the home that is right for you.

Don't forget you can ask friends or family members for help to plan.

Who can help you?

They might be able to help you with moving.

People can help you get things you need for your home.

People sometimes can help you pack or give you their spare pan if you ask around.

The Housing Guide was a collaboration of LDE, Housing LIN and Ace Anglia.

It was supported by a co-design group of self-advocates and families. The co-design group were Jo, Rachel, Danielle, Gary, Liz, and Kate.

Thanks to everyone who shared stories, gave us feedback, and let us include their work. Please do share feedback and comments to LDE.
