

# Different housing options Making changes to your home

# Disabled Facilities Grant

Sometimes your home may need adaptations to help you live there.

For example, hand rails or wet room.

If you live in England, Northern Ireland, or Wales, you may be able to get a **Disabled Facilities Grant** to help with adapting your home.

You must have your landlord's permission if you rent your home before making any changes.

Check with your local Council for more information on the Disabled Facilities Grant and look at:

The Housing Guide was a collaboration of LDE, Housing LIN and Ace Anglia.

It was supported by a co-design group of self-advocates and families. The co-design group were Jo, Rachel, Danielle, Gary, Liz, and Kate.

Thanks to everyone who shared stories, gave us feedback, and let us include their work. Please do share feedback and comments to LDE.
