Making it real

Making it Real

Making it Real is a framework for how to do person centred care and support.

It's for people working in health, adult social care, housing, and for people who access services.

There are 6 areas of the framework:

Living the life I want and keeping safe and well

Having the information I need, when I need it

Making it Real

**Keeping family,
friends and
connections**

**My support,
my own way**

**When things
need to change**

**The people
who support
me**

The Housing Guide was a collaboration of LDE, Housing LIN and Ace Anglia.

It was supported by a co-design group of self-advocates and families. The co-design group were Jo, Rachel, Danielle, Gary, Liz, and Kate.

Thanks to everyone who shared stories, gave us feedback, and let us include their work. Please do share feedback and comments to LDE.
