

Quality and legal issues

Quality standards and legal things to think about

Quality standards and legal things to think about

This section includes information on some of the **legal** things you need to know about when you **rent** or own your own home.

This is not **legal advice** but information to help you plan.

Legal advice is professional advice provided by a lawyer.

There are links to places you can get more information.

Make sure you get specialist advice on legal issues if you are not sure.

The Housing Guide was a collaboration of LDE, Housing LIN and Ace Anglia.

It was supported by a co-design group of self-advocates and families. The co-design group were Jo, Rachel, Danielle, Gary, Liz, and Kate.

Thanks to everyone who shared stories, gave us feedback, and let us include their work. Please do share feedback and comments to LDE.
