

# Paying for living costs

## Monthly living expenses

# Monthly living expenses

The next part of the guide will go through the monthly **living expenses** that you may want to think about.

A monthly living expense is something you need and is paid for monthly.

We will tell you how to work out the cost of each monthly living expense.

You can then write how much each monthly living expense will cost you.

# Monthly living expenses

**You may want to fill this out before you think about moving as you can decide whether you will be able to afford to live there.**

**You will then need to check how much money you get each month with how much you think it will cost.**

**Your monthly income includes any wages you earn and benefits you receive.**

The Housing Guide was a collaboration of LDE, Housing LIN and Ace Anglia.

It was supported by a co-design group of self-advocates and families. The co-design group were Jo, Rachel, Danielle, Gary, Liz, and Kate.

Thanks to everyone who shared stories, gave us feedback, and let us include their work. Please do share feedback and comments to LDE.
