## Transport

This includes travel to work, appointments, for shopping or to social events.

If you drive – You will need to add together the amount you usually use for petrol and the amount you pay for **tax** and **insurance**.

If you use public transport – work out how many journeys you will be making each month and how much these tickets will cost.

Monthly cost of your transport?

The Housing Guide was a collaboration of LDE, Housing LIN and Ace Anglia.

It was supported by a co-design group of self-advocates and families. The co-design group were Jo, Rachel, Danielle, Gary, Liz, and Kate.

Thanks to everyone who shared stories, gave us feedback, and let us include their work. Please do share feedback and comments to LDE.
