We all want to live in the place we call home with the people and things that we love, in communities where we look out for one another, doing things that matter to us.

That's the social care future we seek. [#socialcarefuture](https://www.socialcarefuture.org.uk)

GLORIOUSLY
ORDINARY
LIVES

What is Social Care Future?

- We are a movement of people coming together. We are connected and strong

What is Social Care Future?

- We are clear about our vision and we welcome anyone who signs up to that vision

What is Social Care Future?

- We offer hope and solutions ...we don't just want to say, *'it's all rubbish!'*

House of Lords Adult Social Care Committee
Report of Session 2022-23

House of Lords report about social care

- Think about who you want to work with and be seen working with. Who are your tribe?
- The House of Lords have power!
- Don't worry about people being perfect – know what you won't compromise on, but be tactical

House of Lords report about social care

- Ask the right questions about what needs to change

House of Lords report about social care

- Challenge, but be polite

House of Lords report about social care

- Change takes time...BUT there are quick wins. This report will not change things overnight, but we are already seeing things happen because of it
