

Co-production case studies

This document features a selection of links to reports and websites that highlight case study examples of co-production.

Co-production Network for Wales

Co-production Knowledge Base

A collection of resources about co-production including case studies, research and best practice examples.

<https://info.copronet.wales/>

Health and Wellbeing Alliance Experience of Care Subgroup

Co-production case studies

As part of the work of the Health and Wellbeing Alliance, the Experience of Care Subgroup has explored good practice and learning about how Integrated Care Systems (ICSs) and Integrated Care Boards (ICBs) have worked together with local people with a range of lived experience, and with the voluntary sector.
